LIA 50th Anniversary Projects

As we approach a new year (2018) at Lake Iroquois, it means different things to our members. Some have been here many years and seen firsthand the many changes that have occurred at the lake. Others have been here a relatively short time and have appreciated the many amenities we now have at the lake. It has taken 50 years to get where we are today, and we look forward to witnessing the future growth of Lake Iroquois.

In celebration of the past and hope for the future, we are presenting projects throughout 2018 that our members will have an opportunity to support monetarily by donating directly to the project. The following projects will be available for multiple members to "donate" to during the year starting in January/2018:

1. Emmett Beherns Park Pathway donations
2. Stone Back Entrance donations
3. Fountain Aerator(s) at Fishing Pond donations
4. LIA history donations
5. LIA 5K walk/run (spring/ 2018) donations for t-shirts, trophies, and timers.

Also dedications "In Memory" of a loved one will be available at different LIA locations designated during the year. Estimates for dedicated projects are as follows:

1. Park Bench dedication (approximately \$500)
2. Lamp Post and Light (Solar) dedication (approximately \$250)
3. Planted tree dedication (\$100)

Remember we have all year (2018) to celebrate our 50th anniversary. If you have questions call Perry Draper @ 217-493-2865 or LIA office @ 217-386-2311. Also feel free to attend a board meeting and discuss location you'd like to see your dedication placed. Thank you.

LIA Women's Club News

The ladies met at 3 Boys Diner for breakfast, which by the way, was very good! A short meeting was held and voted to contribute \$200 to the LIA walking path and \$200 to the Loda Lions. Afterwards we went to the Clay Corner in Paxton to have Tammy help the group paint a piece that each of us picked out and left to be fired in her kiln. It was ready by Christmas and everyone had a good time. We are talking about having more dates at the Clay Corner since it was so much fun. Looking at around Easter and we'll keep you posted as to the date. Join us next time! We will have a short meeting at the clubhouse on January 16th at 10 AM. Come for coffee and suggest places to visit in 2018. Mark your calendar JANUARY 16th at 10 A.M.
